MERRIMACK COUNTY CONVENTION**Records of 1950**

Concord, N. H., October 21, 1950

The Merrimack County Delegation convened at the County Institution at Boscawen at 2:00 p. m. pursuant to a notice from its chairman to consider:

1. What action the Delegation may wish to take regarding the deficiency in the budget for the biennium ending December 31, 1950.

2. To take such action as may be necessary to effectuate the reconstruction, repair, and replacement of certain buildings recently damaged and destroyed by fire at the County Farm.

3. To transact any other business as may properly be brought before the Delegation.

The roll was called and there were twenty-four members present. A discussion followed regarding the situation at the County Farm caused by the fire which destroyed the main dairy barn and smaller buildings and the loss of equipment.

Mr. Lea moved that we get plans and bids and let it out to a reliable contractor. The motion was not seconded so no action was taken.

Commissioners Hallinan and Perkins explained the situation and told the Delegation that by reason of their increase in the insurance coverage the County would receive total loss on the main barn of \$50,000; \$2000 on equipment and \$3000 on the small building known as the piggery. Halstead Colby, Extension Agricultural Engineer from the University of New Hampshire explained that a survey had been made of the Farm and that it seemed advisable to have a dairy barn for forty head of cattle and separate buildings for hay stor-

age and young stock. It was felt by the Commissioners that there was enough money from insurance and the sale of livestock so that these needs could be taken care of without extra expense to the taxpayers.

Mr. Upton moved and Mr. Lea seconded that the chairman be authorized to appoint a committee of five to work with the Commissioners to determine the type of barn and the improvements necessary and costs, and that they report back to the delegation. Discussion followed and Mr. Ferguson moved and Mr. Sawyer seconded that Mr. Upton's motion be amended to authorize the committee to approve or reject the building program so long as it does not exceed the proceeds of the insurance and the proceeds from the recent sale of livestock. The amendment was unanimously passed and then the main motion also was unanimously passed, as amended, by voice vote.

Mr. LaBranche moved and Mr. Bunten seconded that the Commissioners be authorized to replace farm equipment subject to the approval of the five-man committee.

Mr. Lea moved and Mr. Hurd seconded that the County Treasurer be authorized to borrow a sum not to exceed \$62,003.04 to meet the deficiency in the County budget for the biennium ending December 31, 1950.

The meeting was adjourned on motion of Mr. Upton.

A True Record Attest:

C. MURRAY SAWYER,

Clerk.

I hereby certify that the foregoing is a true copy of the record of the Merrimack County Delegation held October 21, 1950, and duly recorded in the Merrimack County Delegation Record Book on file with the Secretary of State.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of Court, Auditors, Superintendent of County Farm and House of Correction, Farm Physician and Chaplain for the year ending December 31, 1950.

COUNTY FARM

Kindly refer to the report of the Superintendent and Matron which indicates a continuation of an improving situation in the general conditions at the County Home and other portions of the institution as mentioned by Mr. and Mrs. Fenton. The Christmas party which was again put on by the Federated Business and Professional Women's Club of Concord and their associates was a complete success as it has been for several years. We are, therefore, much indebted to these ladies.

In the previous year of the report reference was made to expenditures in connection with our institution; i.e., a spraying machine which we expected would be beneficial in our apple orchard production. This worked out to our fullest expectations. The year 1950 produced our largest apple crop. These were placed in our cold storage. One room being reserved for apples and another room for vegetables, this as we hoped is working out satisfactorily.

As mentioned in the Superintendent's and Matron's report, on September 21, we suffered the loss by fire of our main cow barn and damage to the adjacent build-

ings together with considerable loss of our equipment. Fortunately, about six weeks prior to this fire, we had increased our coverage on the main barn from \$16,500 to \$50,000, which at this writing is practically completed. It will also enable us to construct a hay storage as well as install silos. These to be completed during the spring and summer of 1951, and we hope largely through the work of our permanent employees and welfare workers. Our so-called piggery, calf barn, and horse barn was badly damaged. This repair work has now been completed and the expense was covered largely by the sale of livestock. In as much as it appeared advantageous to reduce our herd, to which consideration had been given previous to the fire; however, when the fire occurred it seemed advisable to reduce it somewhat further which has been done. This so-called piggery was damaged considerably more than at first anticipated. However, it has been completely rebuilt and improved and the work is now completed except for outside painting which can be done by the institution forces as soon as the weather permits. Our insurance covered the loss of equipment and a new spraying machine is available. Our insurance partially covered our loss of hay and feeds. It, however, has forced us to purchase our hay on the open market, whereas normally we had a sufficient amount of hay to take care of our entire needs. It is expected our new cow barn will be completed for occupancy together with the milk room during the latter part of February 1951, after which the present temporary barn space will be restored to storage purposes.

In our rebuilding program we are much indebted to Messrs. Bevan, Colby, Holden and others of the University Extension Service.

We fully agree with Mr. and Mrs. Fenton as to the wholehearted co-operation of neighbors, inmates of the House of Correction, Jail, and Officers at the time of the fire, and wish to express our appreciation.

WELFARE AND RELIEF

Boarded children continue to average approximately 150 per month at an expense in the vicinity of \$5,000 per month which includes medical, clothing, etc., at the standard rate of \$30.00 per month. However, there is a demand in some quarters for an increase in the rate and where it is justified it is believed that \$35.00 per month can be paid although the Daniel Webster Home is requiring a continuation of the \$45.00 per month rate and the Golden Rule Farm at a \$60.00 per month rate. However, with these increased rates the number of boarded children at both institutions has been reduced materially. With these added costs it has resulted in the budget for the board and care of children being exceeded by approximately \$5,000. Although through the efforts of our social workers and the Probation Department and others they were able to collect \$5,552.59 from those responsible for these children, however this figure was slightly less than during the year 1949.

If it develops that we have to increase our board rate generally, it would appear that our budget figure would have to be increased between \$8,000 and \$9,000 per year, to approximately \$68,000. This, however, is problematical.

WELFARE WORK PROGRAM

As in the previous year we were assisting numerous families of which the father was in such physical condition that he should have been working in support of his family or reimburse the county taxpayers for the assistance rendered. Therefore, the arrangement has been continued that these men should work out their food and medical orders at the rate of 75c per hour at the County Home or the Court House whichever was the more convenient to their residence. During 1950

we have received better co-operation from these families than during the previous years as they were aware that we are insistent on their co-operating and it has not been necessary to get court records as during the first year's operation.

During this past year we have received 527 days' work at the Farm and 260 days' work at the Court House with a few days work assigned to the town of Pembroke for those living in that vicinity. Even before the pickup in employment it was noticeable that the program was having the desired result as many of these persons found outside employment that for many years had been frequently on the relief rolls. We are, therefore, confident that this program should be continued as it has worked out, being a benefit not only to the taxpayers but to the relief persons themselves, it having apparently placed them in a position of self-support.

We are continuing in a small way even with the outside employment to make use of all that are physically fit to work out their food orders or relief. However, every effort is being made to keep this to a minimum bearing in mind that general living costs, food, clothing, etc., are much higher than in years.

BUDGET

Several items were exceeded particularly the boarded children which was previously mentioned. The expense of poor off the farm was also exceeded. This was brought about by the heavier expense in the food, clothing, etc., although the number of persons on relief was not enlarged upon.

There were also several items of heavy hospital expense.

Continued effort is being made to keep these costs at as low a figure as possible with reasonable support to the needy families.

The costs at the Home have been exceeded as will be shown in the Superintendent's report on account of increased costs of food and general supplies, plus an increased number of persons in the Home, Hospital, House of Correction, and Jail.

Every effort is being made on the part of the Commissioners, as well as the Superintendent and Matron, to reduce the expenses to a minimum. This effort will be continued.

*To the Board of County Commissioners
Merrimack County:*

Gentlemen:

In presenting our third annual report we realize that the year just past has presented many problems but with the excellent co-operation of the County Commissioners, the Delegation, the Extension Service, Farm Officials, and citizens of the county they have been much more easily overcome.

The first three-fourths of 1950 went very well with our population somewhat larger than in 1949. The recreation program was continued and the grounds were improved with additional landscaping. During the summer some of our cattle were exhibited at Field Days and Fairs. They did well in competition taking many first prizes and at Eastern States they took both group and individual prizes.

We are glad to welcome visitors at any time and many have availed themselves of this opportunity. Classes from the State University, and nearby high schools have toured the Institution as a part of their curricula. We were pleased to have the Franklin Rotary Club hold one of its regular meetings here and to inspect the Home. Once more we would like to thank the individuals who have contributed books, magazines, papers, playing cards and gifts which have been greatly enjoyed.

When Concord decided to discontinue the use of horses we received one of their teams which has been of great benefit to us.

Late last summer we constructed a charcoal kiln. We expect to pay for the kiln from the sale of charcoal but do not anticipate any great profit above that cost. The real benefit to the County will come, we believe, from a better stand of timber where we have been able to clear out the poorer species of trees.

On September 21, 1950, a tragic fire completely destroyed the main cow barn. However, we were able to get all of the animals out unharmed due to the splendid cooperation of everyone present. The officers, workers at the Farm and people from surrounding communities worked long and hard to salvage as much as possible. Special mention should be made of the men in the House of Correction and Jail as everyone of the boys did everything possible to assist. Not one took advantage of the emergency and at meal time every man was in his proper place. May we express our deep appreciation to the Fire Departments from Boscawen, Concord and Franklin.

The citizens and merchants of Boscawen and surrounding communities came forward that evening and the next day to offer us equipment and supplies in order that we might continue to operate.

That night all animals except the two large bulls were turned out to pasture and the next morning steps were taken to convert garages into cow and calf barns, where a milking machine was installed and a small milk house built at the end of the garages. In less than a week temporary quarters were set up on the premises.

The horses and bulls were housed in the Red Barn, small calves in remaining garages, and older heifers, when returning from pastures, in sheds near the site of the old barn. In November one of the large bulls was let out for the winter and the other one was put into a specially constructed shed where he could run into the pen which was not injured by the fire.

As soon as emergencies were out of the way, the Commissioners, representative farmers in the County, Extension Service officials and some members of the Institutional staff met to discuss immediate plans.

It was decided to recommend reducing the number of cattle, rebuilding the piggery and to build a new cow barn across the road from the one destroyed by fire.

Fortunately for Merrimack County, your Commissioners had been far sighted enough to make a careful study of the fire insurance carried by the County and had all policies rewritten on the basis of present prices. This left the building fund in a very favorable position.

The Delegation met in October, accepted the recommendation of the committee and at that time appointed a committee to work with the Commissioners in carrying out these recommendations. This committee met and plans were made to take immediate action.

The Extension Service, under the direction of Director Bevan, assisted by Edward Holden and Halstead Colby, have acted in an advisory capacity, and have greatly aided us during our emergency. Mr. Colby, consulting engineer, designed the cow barn, drew the plans, and held many conferences with the Superintendent and contractor.

At this writing we have the barn over the piggery completed except for outside painting. The main cow barn constructed of cinder blocks with tie-up for 40 cows and the milk house is nearly completed. We plan to erect a hay barn, young stock barn, and two silos in the spring.

We have been able to cut building costs by supplying sixty thousand feet of lumber, cut on the farm, and 2000 hours of labor contributed by Relief and House of Correction workers.

The Concord B. P. W. Club did an outstanding job for the Home at Christmas time. The gifts were excellent and the program of the best. All we can say to Miss Bessie Gray and her committee is Thank You for a job well done. We feel sure you have brought more joy and real Christmas to the people at the Home than you realize.

In conclusion we would like to express our appreciation to the County Commissioners, State, City, Town, and County officials; Dr. J. K. McLeod, County Physi-

cian; Dr. Shaw; the Clergy; Farm Officials and all who have contributed to the success of this Institution during the past year.

Yours respectfully,

PAUL J. FENTON,
Superintendent.
BERTHA W. FENTON,
Matron.

REPORT OF THE COUNTY SOLICITOR

To the Commissioners of Merrimack County:

The report of the Solicitor for the period of January 1, 1950 through December 31, 1950 is hereby submitted.

Disposition of respondents by waiver of indictment: *Thomas W. Pillsbury*, breaking, entering and larceny; continued for sentence, probation two years, for violation of probation, sentenced to serve one year in the House of Correction; *Leslie E. Ash*, breaking, entering and larceny, continued for sentence, for violation of probation sentenced to serve one year in the House of Correction; *Willard G. Brown*, false and counterfeit check, sentenced to serve not more than three years and not less than one year and one day in State Prison; *Leon A. Howe*, breaking, entering and larceny in nighttime, sentenced to serve one year in House of Correction; *John D. Johnson, Sr.*, statutory rape, sentenced to serve one year in the House of Correction; *Paul R. Brouillard*, breaking, entering and larceny, continued for sentence, probation two years; *Joseph E. Richard*, obtaining money under false pretenses, continued for sentence, probation three years, restitution.

Disposition of respondents indicted by Grand Jury. April Term: *Roland Croteau*, reckless driving resulting in death, continued for sentence, costs two hundred dollars through New Hampshire Probation Department; *Stewart N. Weston*, uttering worthless checks, continued for sentence, one year probation, restitution of four hundred and fifty-six dollars and seventy cents. October Term: *William Guptill*, counterfeit check, sentenced to serve one year in the House of Correction; *George*

Katsikas, grand larceny, continued for sentence, probation two years, restitution through New Hampshire Probation Department; *Marion E. Belanger*, breaking, entering and larceny, continued for sentence, probation two years; *Roland J. Dery*, statutory rape, sentenced to serve one year in House of Correction; *Raymond V. Mayhew*, grand larceny, probation two years, restitution one hundred ninety-two dollars in six months; *Edward J. Comeau*, larceny accessory, probation two years, restitution sixty dollars; *Robert H. Bean*, larceny accessory, probation two years, restitution sixty dollars; *Charles F. Wilson*, forgery, sentenced to serve not more than three years and not less than one year and one day in State Prison; *Arthur Frederick Provencher*, breaking, entering and larceny, sentenced to serve not more than three years and not less than one year and one day in State Prison; *Harold Drew*, aggravated assault, sentenced to six months in the House of Correction; *Harold H. Thomas*, grand larceny, continued for sentence.

In accordance with Chapter 314 of the Laws of 1949, entitled "An Act Relating to the Care, Treatment and Rehabilitation of Psychopaths," several petitions were filed with the Superior Court and in four instances after lengthy hearings four persons were committed into the custody of the New Hampshire State Hospital by the Superior Court, as sexual psychopaths.

The average amount of cases appealed from the various Municipal Courts throughout the County were investigated and disposition made in the Superior Court.

During the year a substantial number of complaints were entered relative to non-support of wives or children. Investigations were initiated by the appropriate agencies and Court action was effected where necessary.

The case of the State vs. DelBianco was tried during the April Term and appealed to the Supreme Court in which Court the action is awaiting disposition.

There were one hundred forty-five bona fide complaints lodged directly in the office of the Solicitor. These complaints were all investigated and Court action taken where necessary.

Respectfully submitted,

RAYMOND K. PERKINS,
County Solicitor.

CHAPLAIN'S STATEMENT

REPORT OF SERVICES AT THE MERRIMACK COUNTY HOME

There have been two services each month held at the County Farm during the year. A large portion of each service is given over to the singing of Gospel hymns, many of which are requested by those attending the meetings. A brief message is brought to each service. Such messages always contain one or two stories, some of which are from personal experiences, others are stories of animals, children or experiences of adults. Bible stories are also used to illustrate the simple truths presented. Stress is placed on such qualities of living as, honesty, friendship, helpfulness, cheerfulness and patience. The presence of a loving God in the world and in each life is brought out again and again. The youth fellowship from the Boscawen Church presented a Christmas program the Sunday before Christmas. The wife of the Chaplain has also helped.

Respectfully submitted,

J. LINCOLN THOMAS,

Chaplain.

As in former years, Rev. Morrill and Rev. Shepard have conducted Episcopal Services the first Monday of each month and Catholic services were held at the direction of Father Daniszewski.

These services have added much to the people in the Home and the efforts of the clergy are greatly appreciated.

REPORT OF THE PHYSICIAN

To the Commissioners of Merrimack County:

Gentlemen:

As attending physician at the Merrimack County Farm, I respectfully submit to you my report for the year 1950.

It is with satisfaction that I say the year has been a successful one and that the excellent standards of previous years have been maintained. The cooperation of the Superintendent, Matron, nursing staff and Commissioners has been in no small measure directly responsible for a most efficient administration.

We were fortunate in welcoming back to the Institution Mrs. Grace Currier, who had heretofore resigned from the nursing staff. Mrs. Clark, R.N., who retired, has been replaced by Mrs. Mathieu, R.N., Mrs. Muriel Fisher, R.N., and Miss Clough, nurses aide, have ably served in relief capacity. The co-operation of the staff has been greatly appreciated.

Yours respectfully,

J. KENNETH McLEOD, M.D.

BIRTHS AT MERRIMACK COUNTY FARM
